Cap / Powder / Liquid

- Beta-alanine increases carnosine that plays a part in preventing fatigue and release in the body makes muscles more resistant to effort and delays the onset of fatigues.
- It also curbs the effect of lactic acid on muscle performance.
- Supports Muscular Endurance
- Helps Delay Muscle Fatigue

# ZMA

Capsule

- Combination of Zinc, Magnesium and Vitamin B6 with a very high anabolic power that raises the levels of testosterone in a natural safe way.
- Promotes the increase of testosterone and IGF-1 levels which aids muscular hypertrophy, consequently increasing strength and lean muscle mass.
- ZMA is also good antioxidant
- Help to increase endurance, healing, growth and restful sleep.

# L-TAURINE

Capsules

- L-Taurine is non essential amino acid which participates in various metabolic processes
- It speeds up regeneration
- Supports muscle growth, strength, supports nervous system
- Recommended dose 1000 mg

# ANTI-CRAMP

Recovery Powder / Capsules

- Contains ingredients which supports recovery and reduces cramps after workout
- Contains ingredients like Recovery matrix , Antilactic acid ingredients, Phosphomatrix, L-Carnitine, Vitamin E etc.
- Reduces muscular catabolism
- Accelerates muscle fibre regeneration
- Helps reduce recovery time

# TESTOSTERONE BOOSTER

Tablet / Cap / Liquids

- Wide Variety of nutra ingredients and herbs can be used.
- Nitric oxide boosters such as L-Arginine, Citrullin, Tribullus, Chlorophytum borivilianum, Fenugreek, Ginkgo Biloba, Mucuna pruriens, Ginseng, Ashwagandha etc can be used
- It Helps in increasing testosterone level in body and thus helps to increase the capacity and endurance of workouts.

# HERBAL / AYURVEDIC

- Influx also has ayurvedic licence in which one can manufacture various formulations like testosterone booster, plant based biotin, liver support, kidney support, general wellness, muscle fatigue creams etc. Various formulas in Capsules, tablet, powders, external preparations, massage oils, liquids orals etc can be manufactured under this.

# DIURETIC COMPLEX

Capsules

- Diuretic Complex helps to eliminate excess liquid and fat.
- Contains natural plant based complex
- Enhances the balance of liquids

# TRIBULUS

Capsules

- Tribulus Terrestris is a powerful plant that increases testosterone levels
- It contains phyto steroids, flavonoids, glycosides, alkaloids and saponins
- Promotes nitrogen synthesis which helps to increase power and muscle mass growth
- Supports recovery of muscle fibre after intensive training

# DETOX CAPSULES

- Influx can Make unique complex of herbs and vitamins specially designed and formulated to cleanse and protect the liver.
- Detox formulas protects from free radicals and toxins.
- Supports hepatic function of liver cells
- Ingredients like, Alfa alfa, Grape seed, Alpha Lipoic acid, L-Ornithine, Silymarin, L-Taurine, Antioxidant Vitamins, Other amino acid can be used.

# ENZYME COMPLEX

CAPSULES

- Influx can formulate Digestive Enzyme Complex that contains all the spectrum of necessary enzymes that helps to improve digestion and absorption of necessary nutrients for a healthy digestive function.
- Enzymes like Protease (to digest proteins), Amylase (to digest carbohydrates), Lipase (to digest lipids), Lactose (to digest lactose) or other enzymes like Cellulose can be used.

# CURCUMIN

Capsules

- Helps to maintain healthy liver
- Powerful antioxidant that can help protect cells from free radical damage
- Powerful anti-inflammatory

# Sleep Support

Capsules

- Influx can develop formula which can support good sleep
- Reduces stress and is non habit forming supplements
- Ideal blend of Melatonin precursors along with good herbs like, valerian, Hops, L-theanine etc can be used

# CO-ENZYME Q10

Tablets / Capsules

- Powerful antioxidant and removes free radicals
- It helps to stabilise cellular membrane, helps to generate ATP.
- Also used as anti ageing substance and protect LDL (good cholesterol)

# MULTIVIT, MULTIMIN & ANTIOXIDANT

Capsule / Powder / Liquid / Tablet

- Useful for general wellbeing
- Formula can be designed as per Male and Female RDA requirements. Wide range of natural ingredients can be used to make a perfect combination.
- Wide range of Antioxidants Like Vitamin C, Vitamin E, Green tea, Grape seed, Resveratrol etc can be used.
- Combinations or particular ingredient formula can be made

# Cortisol Blockers

Softgel Capsules

- Formulations which helps to control Cortisol secretion which is undesirable hormone.
- Cortisol is produced by adrenal gland in state of stress, taking excess caffeine, Very intense exercise, state of anxiety etc
- Unique composition of phosphatidylserine, amino acids and certain herbs can make a good composition to counter Cortisol release.

# SOFTGELATIN CAPSULES

- Influx can manufacture softgelatin capsules with various combinations.
- Optimum batch sizes can be offered.

# CALCIUM

Tablets

- Calcium Combination with Vitamin D, Zinc and Magnesium can be made
- Calcium Acts actively in muscular functions
- Promotes stronger bones

# JOINT CARE

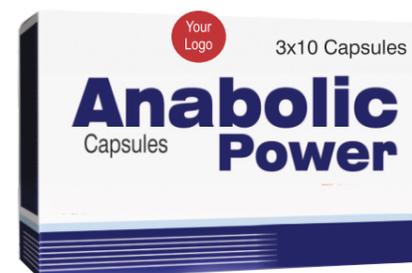

Tablets / Powder

- Influx can provide wide range of ingredients which can support healthy joint.
- Ingredients like Glucosamine, Collagen, Boswellia, Chondroitin, Rose Hip, Curcumin, Skullcap, Celery, Vitamin K27 etc., can be used.
- Joint care ingredients can be added to various other supplements like Whey and Mass gainer for value addition.

# Anabolic Power

Capsules

- A excellent combination of various herbs Which Promotes Muscular growth, stimulate the Growth hormones (GH),
- Combinations like Tribullus Terrestris, Mucuna Pruriens, Avena Sativa, Ginseng, Gamma Oryzanol etc which is effective in increasing strength, power and physical performance, muscle pumping and lean muscle mass.

# Collagen

Capsules / Powder

- Collagen is a type of protein very abundant in our body.
- Intense and prolong physical activity will wear down collagen.
- Contributes to improve recovery of joints, tendon and ligaments preservation
- Marine collagen and Bovine collagen both are available with Influx
- Combining with Magnesium, Calcium, Manganese, Vitamin D3, Vitamin C produces good Antioxidant effect that improves cells hydration, reduces muscle cramps and joint preservation due to wear.

# ENERGY GEL

- Influx can mfg. gel which can provide Energy instantly
- It helps to improve physical performance and recovery
- The advanced Carbohydrate blend in the form of maltodextrin and fructose can provide quick and long lasting energy to maintain glucose levels
- Electrolytes blend optimizes loss of electrolytes and prevents muscle cramps
- Good tangy taste can be developed

# FLAXSEED

Capsules / Veg. Liquid Fill

- Supplementation with flaxseed extract provides support for the immune system and promotes healthy skin, hair and nails.
- Flaxseed is a natural source of alpha-linolenic acid (ALA), an Omega-3 Fatty Acid that promotes heart health\* along with a healthy diet.
- May help support cardiovascular health. No fillers, Binders.

# Hair, Nail, Skin

Capsules / Tablets

- Influx can develop products which can be used in assistance with supplements to having Cosmeceuticals effect
- Ingredients such as Glutathione, Collagen Peptides, Evening Primrose Oil, Biotin, Amino acids, Coenzyme Q10, Various Herbs can be used to make good combination which have positive effect on Hair, Nail and Skin.

# Protein Liquid

- Contains 5g to 10g protein in one serving
- Low Calorie Protein drink
- Contains L-Taurine, L-Carnitine and Panax Ginseng extract
- Will be offered in aluminium Cans

## GH STIMULANT

Capsule

- Influx can develop good composition which can stimulate Growth Hormone (GH)
- It contains L-Arginine & L-Ornithine in 2:1 ratio which efficiently metabolise protein and also act as a precursor of creatine
- Helps to eliminate toxins

## JUMBO SIZE TABLETS

- We can offer large size tablets of Amino Acid, Protein and other category. Formulations with higher strengths can be manufactured.

## LIQUID SHOTS / CANS / BOTTLES

- Influx can formulate wide range of liquid shots which can deliver accurate and complete amount of nutrients in single dose
- Its easy to carry and convenient to have
- Good flavours can be developed
- Attractive packaging can be done

- Various formula with single dose can be made
- Advantage of this form is that more concentrations of ingredients can be delivered
- Stylish and Good Tasting liquids can be made

VARIOUS SHOTS / CANS / LIQUID WHICH WE HAVE DEVELOPED ARE AS FOLLOWS

- Magnesium
- Pre-workout
- Beta-Alanine
- Citrulline Malate
- Testobooster
- Amino Acids
- L-Taurine
- Fatburner
- Antioxidants
- Fruit Ext.
- & Many more

## SKIN, DERMA & HAIR CARE

- Influx can make wide variety of cosmeceuticals products in form of Tablets, Capsules, Liquid Orals, Powders, Jellies / Gummies, Liquidfill Capsules, Effervescent Tablets, Softgelatin.
- Wide range of ingredients like amino acids, herbal ingredients, vitamins, minerals, phytonutrients, DHT blocker, anagen phase enhancers etc. can be made.
- Influx can offer wide variety of formulations such as L-Glutathione, Pumpkin Seed, Omega Fatty Acids, Co-Enzyme Q10, Cranberry, Biotin, Gotu Kola, Amino Acids, Herbal Ingredients etc.

## ONLINE & WELLNESS CATEGORY

- Influx can offer wide variety of formulations for online marketing companies.
- Online marketing companies can approach Influx and develop different categories of products targeted for different customers like men care, women care, children care, geriatrics, general wellness, functional supplements targeted for particular indications like joint care, derma care, hair care, various organ care etc.

## OMEGA 3 FISH OIL

- Helps to lower triglycerides in blood
- Has Vasodilation effect that protects from cardiovascular illness
- Lowers cholesterol levels
- Rich in EPA & DHA
- Can be combined with Omega 6 & Omega 9

## MIX FIBRE

Powder

- Contains blend of high quality soluble & in soluble fibers like Wheat Dextrin, Isabgol, Oats, Inulin & FOS
- Flavoured & unflavoured blend can be made
- Blends easily in water or can be added to any other supplements
- Effective in supporting normal gastrointestinal health and regularity
- Probiotic strains can be added with fiber like Inulin & FOS which acts as Prebiotic

## ON THE GO FACE WASH

- Gym goers and fitness freaks, Runners know how sweaty it can be. On the go rinse free face wash is a unique hygiene face wash which does not require water to clean your face. Just spray, rub and wipe to neat, clean and dry skin which will have refreshing effect.

## LIQUID CHALK

- To make a gym goers do exercise safely and to enhance the grip of the equipments liquid chalk is important which every gym goer can have such product in their gym kit.

# Protein Bars

Manufacture PROTEIN BAR Not A CHIKKI  
Excellent Ingredient grades Used

## Available Bars Formulas :

- High Protein Bars
- Economic Portein Bars
- Energy Bars
- Super Food Bars
- Moringa Bars
- Granola Bars
- Enriched With Fiber
- Wafer Bars
- Vegan Protein Bar
- Manufacture Under Your Brand.

# Protein Bites

- Protein Energy Bites
- Healthy & Natural snacking

# Multigrain Protein Cookies

- Perfect Energy Source With a combination of fast acting natural carbohydrates and protein. Provides an instant supply of energy, replenishes glycogen levels and quickly satisfies hunger
- Gluten Free
- NON GMO
- Contains Whey Protein, Milk solids along with 12 grains Like Corn, Millet, Sorghum, Amaranth, Chick Pea, Rice, Soy, Oats, Barley, Semolina, Flaxseeds, Pea
- Contains 5% Fiber
- Excellent Nutrition source Providing 20% Protein
- Available in 60g Packing

# Peanut Butter With Whey:

- Peanut butter with Whey Protein can provide 35% protein
- Healthy Spreads and Licks
- Healthy source of Carbohydrates and Fats
- Peanut butter is best who seek high calorie diet.
- Contains Healthy fiber and Unsaturated Fats, Mono Unsaturated Fats which helps to maintain proper level of cholesterol in blood.
- Protein From Peanut and Whey Helps growth and maintenance of muscle tissues and muscle mass.
- Free from Palm Oil
- Can be mixes With Chia Seed, Hemp protein, Quinoa, Goji berry
- Great Taste
- Available in Smooth or Crunchy Base
- Natural or Chocolate Flavoured
- Free from Trans Fat

# Protein (Egg Free) Omelette Mix Powder

- Replenish your hunger with Healthy Snacks
- Contains Special Technology **Whey Protein** which will remain **stable** on hot Pan
- Contains Multigrain and real vegetables
- Can be cooked with or without oil on non stick pan
- Tastes Best when served hot and still better with healthy Sauces
- Fast and easy way to feel the stomach

**No Maida - Only Faida**

# Protein Herbal Chyawanprash

- Whey Protein base Chyawanprash can be made
- Can be enriched with fibers, Amino Acid
- Contains Natural herbs
- Lifestyle products for daily use.

# Protein Jam Spread

- Fruit based Protein Jam spreads can be made
- Fibers can be added
- Lifestyle products for daily use.

# Herbal Tea

- Influx can offer lifestyle products like Antioxidant tea, Herbal tea, Garcinia Tea, Weight loss tea etc for healthy Lifestyle.
- Just pour content to hot water and have a refreshing drink

# PROTEIN COATED PEANUTS & SEED MIX

- Good blend of various healthy Nuts & Seeds i mix can be done.
- Various Nuts like Cashew, Almond, Walnuts, Peanuts, Pistachios etc & Seeds like Sunflower, Papaya, Chia, Flaxseed, Sesame, Hemp Seeds, Watermelon etc can be used.
- It provides good & healthy calories.
- Rich source of Fibre, Omega 3,6,9 & other nutrients.
- Various Raisins can also be added to it.
- Can be packed in sachets or in bottles.

# KETOGENIC DIET

- The aim of the ketogenic diet is to change the major fuel source from sugar to fat

# Protein Soups

- Fiber based protein soups can be developed
- With Real Vegetables
- Healthy Diet

# Protein Icecream Mix

- Cool down with great Whey Protein Icecream Mix
- Mix the powder in water and put to freeze
- Eat a healthy scoop of protein.
- Contains healthy Fat-MCT
- 20-30% protein per 100g scoop.
- Available flavour : Strawberry, Vanilla, Chocolate, Guava, Watermelon.
- Natural Fruits can be added

# Protein Crumbles

- On Go Protein Snack
- Contains Cluster Crumbles of Nuts, Grains, Protein, Fibers
- Chocolate Coated
- Tasty and Healthy
- A different Protein Snacking Form

## Other Protein Snacking Powder Mix

- a) Protein Pancakes
- b) Energy Bites
- c) Protein Moose
- d) Protein Muffins
- e) Protein Mug Cakes
- f) Protein Puddings
- g) Protein Lunch Kit
- i) Protein Cranberries etc.
- j) Protein Crunchy Snacks (Magic Snacks)

## SUPER RED FOOD

- Antioxidants are good for health.
- Red foods like beet root, various berries, nutritional ingredients can be incorporated to make a healthy products.
- High ORAC values ingredients can be formulated.

## Particular Sports Supplements

- Influx can develop formulas as per particular needs.
- Each sports has its own requirement and as per sports requirement product can be developed.
- Various sports like Lawn tennis, Cycling, Running, Football, Cricket, Basketball, Skating etc has different requirement of energy, proteins, electrolytes which can be scientifically formulated to meet the particular sports requirement.

## Vegan Protein

- Vegan is the trend and many companies are entering into this category.
- Wide range of Vegan Supplements can be offered

- VEGAN PROTEIN
- VEGAN BIOTIN
- VEGAN COLLAGEN BUILDER
- VEGAN BARS / VEGAN COOKIES
- VEGAN DRINKS
- VEGAN CAPSULES
- VEGAN JELLIES / GUMMIES
- AND MANY OTHERS
- VEGAN OMEGAS
- VEGAN BCAA
- VEGAN D3
- VEGAN EFFERVESCENT
- VEGAN GLUCOSAMINE
- VEGAN PRE-WORKOUTS
- VEGAN SUPER FOODS

## Super Foods and Green foods

- Improves health and vitality in the healthiest and easiest way
- ALKALIZING BLEND of Wheat Grass, Alfalfa, Barley Grass, and Spinach
- SUPERGREEN BLEND of Spirulina, Moringa, Chlorella
- ANTIOXIDANT BLEND of Pomegranate, Carrot, Beetroot, Tomato, Amla, FIBER from Flaxseeds
- Various Ingredients like Chia Seeds, Ginger, Gojiberries, Quinoa, Cinnamon are also super foods
- VEGAN & NATURAL DAILY SUPERGREEN blend to maintain your PH level, alkalises your system, and gets you your days dose of nutrients

## SPORTS COSMECEUTICALS

- WATER RESISTANCE SUSNCREEN
- ON THE GO FACE WASH (NO RINSING OF WATER)
- FACE WASHES
- HYGIENE SPRAYS
- SWEAT REDUCERS
- SKIN CARE SOAPS
- STRETCH MARK REDUCER
- HAIR SERUMS
- FACE SERUMS
- DRY SHAMPOO

- Supplements keeps you fit but what about the way you look and how you feel.
- Influx have started various sports range in cosmetics which complements the gym goers and fitness people.

# JELLY DIVISION

**Process Patent Applied**

**Good in Nutrition  
Good In Taste**

*Open For Third Party Manufacturing*
